

## **Individual Members, Board Members and Lifetime Members: How to post.**

When you log in, look for one of three categories. As individual members who pay yearly dues you are entitled to all benefits of an OBFS membership except for voting. Look for the individual member profile, affiliate yourself, we will get an email and approve you and then you can post as normal. The same process occurs for Lifetime members and Board members.

To post an event, job, or news: Look under My Account in the upper right hand corner after you log in for the FSML affiliation, click on "Individual Member, Lifetime Member, or Board" to post. Note, for Board members, please only post board level news and events.
